

BAT conclusions under the Industrial Emissions Directive (IED) 2010/75/EU

**CEPI – BREF Training Day
23 September 2014**

Filip François
European Commission, DG Environment
Air & Industrial Emissions

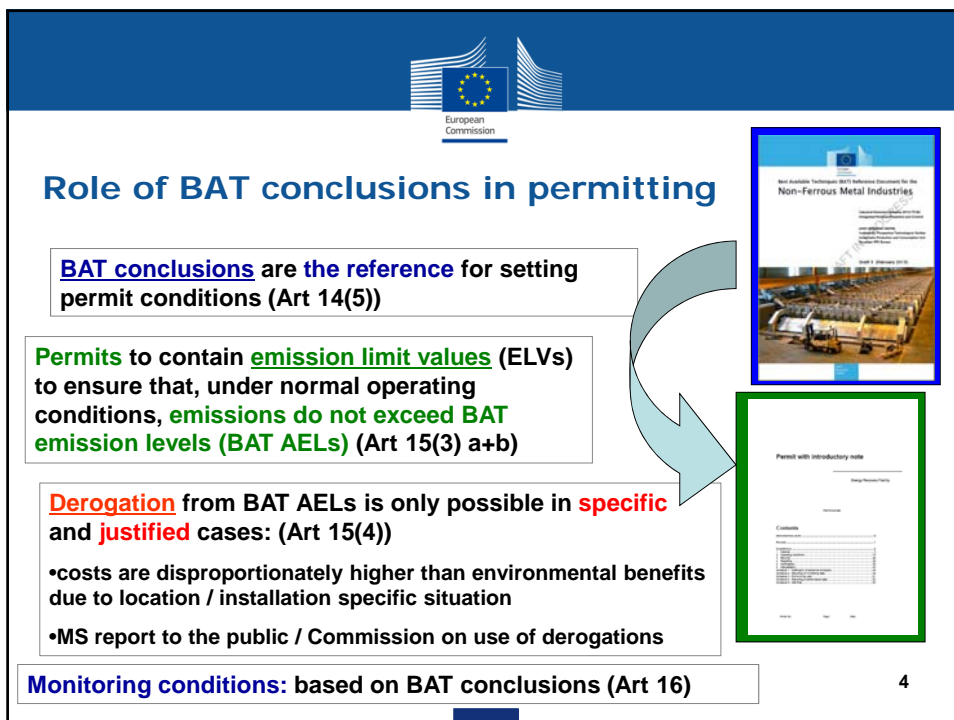

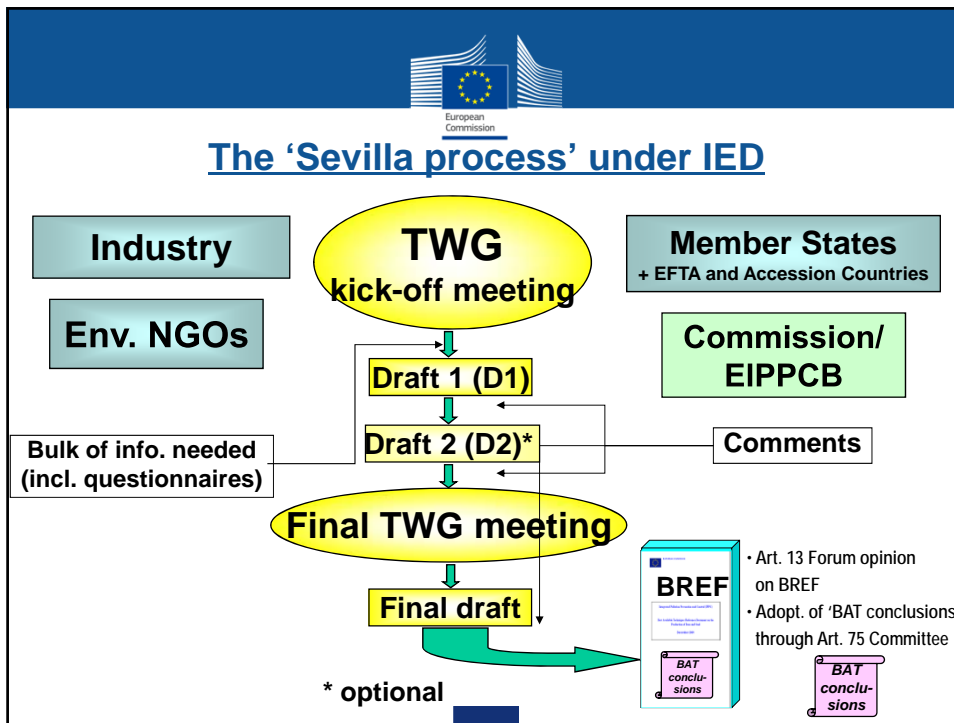

1

To cover:

- 1. BAT conclusions and permits***
- 2. Reply to questions***

2

Applying the BAT conclusions through permit reconsideration / updating (Art. 21)

- ***"Within four years of publication of decisions on BAT conclusions in accordance with Article 13(5) relating to the main activity of an installation, the competent authority shall ensure that:***
 - (a) all the permit conditions for the installation concerned are reconsidered and, if necessary, updated to ensure compliance with this Directive;
 - (b) the installation complies with those permit conditions.
- ***The reconsideration shall take into account all the new or updated BAT conclusions applicable to the installation and adopted since the permit was granted or last reconsidered."***

5
